Dear Sir:

Delete previous drawing sheet 1 which contains only Figure 1.

Insert new drawing sheet 1 which contains Figures 1 and 2. The only change in this sheet is the restoration of Figure 2 which was lost in the electronic filing process. Restoration of Figure 2 is not adding new matter because the present application is a divisional of parent application number 10/297,246, and incorporates that application by reference. Figure 2 is contained in the parent application.

Respectfully submitted,
